Pediatric Preop phone: **(317) 338-5851**

Arrive 90 minutes before your scheduled procedure

P Parking & Entrance

Door #1 is on **Esther Ferrand Dr.**, on the east side of the hospital campus. **Free valet parking is available** at the door (covered drop-off canopy with a blue "1" sign).

Easiest access: enter Esther Ferrand Dr. from **Harcourt Rd.** (east side). A slightly longer route from Naab Rd. (west side) loops through the hospital campus.

Map — Where Door #1 Is

Door #1 is marked in red. The big surgery parking lot is across Esther Ferrand Dr. — pull up to the covered canopy for valet, or park in the lot and walk over.

What Door #1 Looks Like

Look for the covered drop-off canopy with the blue "1" sign. The valet stand is right at the door.

Driving Directions

Easiest route — From Harcourt Rd. (east side)

From W 86th St., turn **SOUTH** onto Harcourt Rd. After about 2 blocks, turn **RIGHT (WEST)** onto Esther Ferrand Dr. The covered Door #1 entrance with the blue "1" sign is immediately on your **LEFT**. Pull under the canopy for valet drop-off, or continue past it and park in the surgery parking lot on your right.

Alternative route — From Naab Rd. (west side, slightly longer)

From W 86th St., turn **SOUTH** onto Naab Rd. Enter the hospital campus, follow the loop around (past the round-about by St. Vincent Audiology), and continue east along the front of the hospital. Esther Ferrand Dr. runs along the east side of the building — Door #1 is on the south end of that drive, on your **RIGHT** as you head south. Valet is at the door.

If you miss the entrance

If you end up on W 86th St. heading west past Naab Rd., or on Harcourt Rd. heading south past Esther Ferrand Dr., circle back. The hospital campus is bounded by W 86th St. (north), Naab Rd. (west), and Harcourt Rd. (east).
